

Clifton Presbyterian Church Cookbook Recipes Submitted Online or Hard Copy

Celebrating 150 Years of History!

The Fellowship and Outreach Committee is sponsoring a CPC cookbook celebrating the 150th Anniversary of our Church. Recipes will be collected between September 1st through Wednesday, October 14, 11:59 p.m. In order to offer the cookbooks for sale before December 16 and the holidays, October 14 is final day that submissions will be accepted.

There are two ways to submit your recipes: online at www.typensave.com with username: **CPC150** and password: **pickle839**. Second option to submit recipes: a paper recipe form will be available for pick up in the Cookbook Recipe Box in the church office to be returned to the same box either via drop off or mailing to the church with ATTN: CPC Cookbook.

Let's get all those favorite recipes you have at home and make this cookbook one that you will want to have as a keepsake with wonderful recipes and to give as a gift to your family and friends!

This will be a great way to contribute to the Church community as we celebrate 150 years of Clifton Presbyterian Church! Please support our fundraiser as we will be offering presales of the CPC cookbook during October and November.
